Derek informed the board that we keep providing the townships with estimates. Derek mentioned another round of bid openings for May, and the possibility of including more primary paving projects. The board had no objections.

Derek informed the board that we invited two candidates back for a second interview. Mr. Robinson was offered the open position, and he has graciously accepted it. Derek suggested we hire the 2nd candidate as a seasonal worker as we have done in the past. If it works out, he will be on-staff to fill any future openings. The board had no objections.

Derek reported that he will be attending the Garfield Township road committee meeting on April 1st.

Derek reported that we have taken delivery of the first plow truck that Truck and Trailer have been working on. The second truck should be completed shortly.

Derek reported that tomorrow he and Mike will be attending a meeting at Brooks Township regarding ATV use of seasonal roads in the township. A resident who decided to build on the seasonal road of 88th St. and Oak Ave. are concerned with the ATV's tearing up the roads. Derek noted that for seasonal roads they are in pretty good shape, and we tend to give attention to them when time and weather allows. Discussion took place on seasonal roads and the fact that they are technically closed from October – April.

Derek reported that he and/or Mike will attend the MDOT Grand Region maintenance meeting on April 9th.

Derek informed the board that he needs to program the next State D fund project at the next RTF meeting. Discussion took place on the process and qualifications of projects. Motion by Commissioner Harmon and supported by Commissioner Fetterley to program Stone Rd. for a future project utilizing State D Funds. All ayes. Motion carried.

Derek reported that he, Wayne Harrall, and MDOT have been conversating about our 2024 chip seal project. We were hopeful for an April bid letting, but it is appearing that it is going to be more than likely let out in June.

Derek provided the board with an update on the Spruce Ave. bridge project scheduled for this year.

Derek informed the board that the 2017 Caterpillar Tracksteer needs a new engine. The board had no objections on authorizing the repairs that need to be made.

Derek informed the board that Nick Auw has decided to step down as the Union Chief Steward.

Public Comment: Kelly Smith informed the board that he continues to work on the logistics of the Vista Dr. project. He has also been working with EGLE on the 40th St. crossing project with Trout Unlimited. He has been working with the Drain Commission and MDOT on the Fellows Drain issue in the City of Grant. Kelly also mentioned working with the City of White Cloud and MDOT on creating on-street parking along M-37.

Commissioner discussion items:

Commissioner Harmon reported on the Highway Conference he attended in Lansing last week.

Commissioner Gonyon mentioned the article in the Fremont Times Indicator last week from Commission Kolk. He thought it was odd that he made no mention of the Road Commission.

With no objections, Chairman Gonyon adjourned the meeting at 9:55 a.m.

William Gonyon, Chairman

Kerry Hewitt, Clerk
